The quality of your presentation and documentation will be considered when reports are chosen for publication in THE NUMISMATIST. New ANA members recruited during your National Coin Week campaign should be listed on the reverse of this form.

Awards will be provided to clubs and individuals submitting FINAL REPORTS and to the individuals and organizations designated by them. ANA members are eligible for a NCW participation medal. Individuals and institutions not members of ANA will receive certificates of participation. Your report should include a printed or typewritten list with ANA number, if applicable, of those whose support contributed significantly to the success of your local National Coin Week campaign. Dear Nancy;

Once again it is my pleasure to write to let you know of our clubs activities this year. As as been our past proceedure, we once again ran a two day show in our local mall, with the emphysis on encouraging children from local schools to display their own collections.

The responce was very good and the public reaction quite responcesive. Unfortunately I must once again report that recruitment of new members to either the Canadian or the American Associations was negligable. What hurts most is the fact that I know there are many active collectors here in town but we cannot even get them out to the local club, let alone join one of the national ones.

Anyway you can rest assured that I will not stop trying. I believe that at least 3000 people stopped to view the displays, ask for information on various coins and/or stamps. We had a total of ten of our members (total-membership) out to man the booth, plus another ten local school children who displayed.

It would therefore be appreciated if you would forward to my attention, 23 or 24 certificates of award, the extras to allow for errors in name printing, to the address on the final report form.

Thank you for your continued support in this annual event and your courtesy to our club and myself.

Sincerely yours,

Edward A. Gordon C.E.T.
